President

EuroPharm Forum

Dear President and Members of the Executive Committee,

On behalf of the Professional Committee of Pharmaceutical Care, we would like to invite the 18th Annual Meeting of the EuroPharm Forum to be organized in Hungary, Budapest.

The Committee was established by the three Hungarian EPF member pharmacist associations (Hungarian Chamber of Pharmacists, Hungarian Society for Pharmaceutical Sciences, Hungarian Private Pharmacists' Association) to coordinate, develop and analyze the effectiveness and efficacy of Hungarian pharmaceutical care programs.

We could organize with cooperation of the EuroPharm Forum secretary the annual meeting and professional day on the proposed date (8th and 9th of October). We as hosting country also invite the participants for a welcome party on the evening of 7th of October. The exact calculation of the annual meeting will be send in the next week.

We hope that we can help in the efforts of the EuroPharm Forum to organize an effective annual meeting and a professional day in such a historical city as Budapest.

With high consideration,

Dr. Gyöngyvér Soós

President, representing Hungarian Society for Pharmaceutical Sciences

Dr. Sándor Szabó

Immediate past president, representing Hungarian Chamber of Pharmacists

Dr. Antal Samu

Coming president, representing Hungarian Private Pharmacists' Association
